### Civic Amenity Visits

The Saturday Civic Amenity Visit is for excess general waste only that cannot be disposed of using the options detailed above. Items collected on these Civic Amenity visits are not recycled or reused due to contamination issues caused by the unknown composition of waste deposited on each visit. **Please note - sofas and armchairs are not accepted.** This service is not for business/commercial waste.

Please be aware that, due to a change in legislation in 2023, they do not accept sofas or armchairs at the Civic Amenity Visits. This is due to legislation around Persistent Organic Pollutants (POPs) which are found in soft furnishings, these items cannot be crushed (as they would be in the collection vehicle) and need to be collected separately, either by arrangement with Stafford Borough Council or taken to designated containers at the Household Waste Recycling Centres in Stafford and Stone.
